All denominators use U.S. Census data from 2000.

U.S. Totals are calculated uniquely for each data element based on only those states who reported numerator (clients served) data.

**State Notes:**

2a The Division of Mental Health's MIS system only collects information on White, Black, American Indian and Hispanic. Through the Data Infrastructure Grant, the Division is developing a new MIS system that will collect all above races.

The SD Division of Mental Health does not currently collect this information through our MIS, so we are unable to submit data for homeless status in our state. The only data we have are those that are served through PATH, and in FY01 that was 614. The Division of Mental Health, with assistance through the DIG Grant, plans on implementing a new MIS system that will have the ability to collect homeless status data. We are hoping to have this implemented by reporting for next Implementation report.
